OBJECTIVE

Business analytics professional pursuing a Master of Science in Business Analytics at USC, looking to bring a finance and data background to the gaming industry, an area I'm personally passionate about. Skilled at integrated collaboration, partnering with institutional clients to solve problems and drive team performance. Bringing an analytical rigor and genuine interest in gaming to turning data into insights that support smarter business decisions.

EDUCATION

University of Southern California — Los Angeles, CA
Master of Science in Business Analytics (MSBA) — *Expected Graduation: December 2027*

University of Southern California — Los Angeles, CA
Bachelor of Arts, Economics — *December 2021*

EXPERIENCE

Brown Brothers Harriman — Boston, MA
Senior Corporate Actions Specialist — *March 2022 – February 2025*

- Processed hundreds of high-volume, time-sensitive events weekly, including interest payments, cash dividends, and mergers, ensuring timely execution and minimal risk exposure across institutional client accounts — the kind of accuracy-under-scale required for live-service and platform operations.
- Maintained regulatory compliance and contributed to operational efficiency in a fast-paced, detail-driven environment.
- Trained new hires in corporate actions processing, regulatory requirements, and internal systems, contributing to improved operational performance.

Koeller, Nebeker, Carlson & Haluck, LLP — Irvine, CA
Clerk — *June 2021 – July 2021*

- Conducted document analysis and supported litigation strategy for large-scale clients, emphasizing risk mitigation and strategic communication.
- Developed and implemented a digital document management process, improving data retrieval and file organization efficiency, saving attorneys and paralegals 5+ hours weekly.

Kole Imports — Carson, CA
Salesman — *July 2018 – August 2018*

- Prospected and closed sales through cold calling and relationship development, enhancing revenue streams.
- Strengthened client trust by resolving inquiries with accuracy and professionalism.

CERTIFICATIONS

Google Data Analytics Certificate — October 2025
